## Meet our staff

Lisa Long  
Tot's Lead

I've been in childcare for almost 15 years. Before that I was a paraprofessional for DISD Lifeskills Elementary age children. I've always wanted to be a teacher. I have been married for 23 years & we have a daughter Meghan Noel Long, born December 24, 2000. She's our pride and joy, so I understand how important your child is to you and their education. I love the beach, reading books, and just relaxing. I can't wait to be a part of your child's journey.

Alicia Pena  
PK Lead

Hello, my name is Alicia! I have been working in childcare for over ten years. I joined DCCDS in 2013 as a work study where I assisted in classrooms. In 2014, I left for a year to work on student teaching. In 2015 I graduated from UNT with a Bachelor of Science in Interdisciplinary Studies. In the fall of 2015 I decided to join the DCCDS team once again. I have since been working as a lead in the classroom. My passion for teaching has always run deep and I look forward to growing my knowledge of children, and teaching!
